

### Overview

With the redevelopment of Australian Taekwondo (AT) NOAS Coach Education framework, some Referees who were accredited in the former system may be able to transition their accreditation to the new framework.

The AT National Poomsae Officiating Committee has decided that a **Recognition of Current Competency** process will be available for eligible Referees to receive the AT NOAS Referee accreditation.

***Recognition of Current Competency (RCC)** applies if someone has previously successfully completed the requirements for an accreditation and makes an application to be assessed to ascertain that the competence has been maintained.*

\* Please note that Australian Taekwondo is waiving the administration fee for the processing of an RCC application until **31 May 2017 when this RCC process concludes.**

.....

### The application process

#### Step 1 – Am I eligible?

Poomsae Referees are eligible to apply for RCC for an AT NOAS Poomsae Referee accreditation by providing the following information:

- Current financial membership of Australian Taekwondo (AT)
- Have previously held (with in the last 4 years) an STA, TA or OTU Accreditation
- Summary of the last three years refereeing experience
- Working with Children Check or State equivalent (e.g. Blue Card)

## **Step 2 – I can provide all that information so what do I do next?**

- o Complete ASC General principles of Officiating

<http://www.ausport.gov.au/participating/resources/officials/onlineofficial>

## **Step 3 – I have received Certificates of Completion for that training course – is there anything else I have to do?**

- o Download an application form from the AT website
- o Complete the form and the checklist of what to include with it
- o Send the application form with copies (no originals please) of the information required to:

Note that your **RCC will be valid until 31 December 2017**, it is advisable to do a Refresher course prior to this date, as in 2018 you will have to complete a new training course.

Details of the refresher courses will be released very shortly.
