Bilateral Impaired Muscle Power

Grade 0-1 muscle power

No arm movement

Both arms MUST meet the minimum impairment criteria

P42

Bilateral below elbow

Amputation or Dysmelia*

** Prosthetic Non-bionic limbs can be worn*

***Dysmelia: congenital malformation of the limb.*

Bilateral Impaired Passive Range of
Movement

No elbow movement

Both arms MUST meet the minimum impairment criteria

P43

Unilateral Above elbow
Amputation or Dysmelia***

** Prosthetic Non-bionic limbs can be worn*

***Dysmelia: congenital malformation of the limb.*

Unilateral Impaired Muscle Power
Grade 0-1 muscle power
No arm movement

P44

Unilateral below elbow

Amputation or Dysmelia*

** Prosthetic Non-bionic limbs can be worn*

***Dysmelia: congenital malformation of the limb.*

Unilateral Impaired Passive Range of
Movement

No elbow movement

P45

Unilateral Leg length difference
Above 7cm.
Must wear orthotic shoes.

Unilateral amputation
Above or below knee.
Must wear prosthetic leg (NON-bionic).
